

Euskal Herriko 56. Itzulia

2016-04-08 05:12:22

4. Lesaka / Orio

04/07/2016

165.0 km.

The fourth stage will finish in **Orio**. The peloton will ride behind the basque coast and also it will pass **Aia**, [the town where the previous edition had two stages](#). The small group of riders could have a chance to win the stage, but also the favourites can try to make some distance.

The peloton will pass Aia two times: the first it will climb from the easier side, but the second time from the steepest side. Once it passes the second time, the riders will have the last small climb before to arrive to the beach of Orio where the finish line will be placed.
