

Euskal Herriko 56. Itzulia

2016-04-09 19:39:25

6. Eibar / Eibar

04/09/2016

16.5 km.

As the previous editions, the last stage is an individual time trial. This year it will take place in **Eibar** and [the distance will be shorter than the previous year's, about 2 kms shorter.](#)

The ITT has only one climb and to say something about the route we would underline the technical part of the last part of the stage.

This time trial is more suitable to the strongest riders of Itzulia than the specialists.
